They are the most ruthless enemy we have ever faced. And they are one millionth our size. Prepare to be shocked-and mesmerized-by the latest novel of thrilling medical suspense from New York Times bestselling author Michael Palmer. Dr. Lou Welcome never could have imagined what a sports injury would mean for his best friend, Cap Duncan. Surgeons manage to save Cap's shattered leg, but the open wound is the perfect breeding ground for a deadly microbial invader committed to eating Cap alive from the inside out. Meanwhile, hundreds of miles away, a teenaged girl is fighting for her life against the same microbe. The germ is resistant to any known antibiotic-and the government scientist tasked with finding a cure has been kidnapped. And time has already run out. Of all [Palmer's] novels, this one has the most ambitious plot.and one of the best action scenes to ever appear in a medical thriller. - Associated PressTurning to the Centers for Disease Control for help, Lou uncovers a link to the Society of One...
