And for almost as long, they ve been playing one continuous, ever-changing game of pirates and thieves, mermaids and warriors. Ruling over all is the Great Queen, a bone-china doll cursing those who displease her. But they are in middle school now. Zach s father pushes him to give up make-believe, and Zach quits the game. Their friendship might be over, until Poppy declares she s been having dreams about the Queen--and the ghost of a girl who will not rest until the bone-china doll is buried in her empty grave. Zach and Alice and Poppy set off on one last adventure to lay the Queen s ghost to rest. But nothing goes according to plan, and as their adventure turns into an epic journey, creepy things begin to happen. Is the doll just a doll or something more sinister? And if there really is a ghost, will it let them go now that it has them in its clutches? Doll Bones is a winner of the Newbery Honor, is the recipient of six starred reviews, was on four Best Book lists, and was called perfect by The New York Times.
