Reviews

Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. It's been designed in an extremely straightforward way which is just soon after I finished reading this publication through which basically modified me, alter the way I believe.

PATHFINDER TALES: WINTER WITCH

Paizo Publishing, LLC. Book. Book Condition: new. BRAND NEW, Pathfinder Tales: Winter Witch, Elaine Cunningham, James L. Sutter, Erik Mona, Christopher Paul Carey, Pierce Watters, - In a village of the frozen north, a child is born possessed by a strange and alien spirit, only to be cast out by her tribe and taken in by the mysterious winter witches of Irrisen, a land locked in permanent magical winter. Farther south, a young mapmaker with a penchant for forgery discovers that his sham treasure maps have begun striking gold. This is the story of Ellasif, a barbarian shield maiden who will stop at nothing to recover her missing sister, and Decclan, the ne'er-do-well young spellcaster-turned-forgery who wants only to prove himself to the woman he loves. Together they'll face monsters, magic, and the fury of Ellasif's own cold-hearted warriors in their quest to rescue the lost child. Yet when they finally reach the ice-walled city of Whitethrone, where trolls hold court and wolves roam the streets as men, will it be too late to save the girl from the forces of darkness?.
