## Remembering Edith Alice Müller

By Appenzeller, Immo / Chmielewski, Yves

Book Condition: New. Publisher/Verlag: Springer Netherlands | Edith Alicia Müller (1918-1995) was the IAU General Secretary from 1976 to 1979, the first woman to have this responsibility. Many friends, students and colleagues, and others who have met Edith at different occasions, give in this book their memories of her. Her fundamental work in solar physics concerned the chemical composition of the Sun, the time variation of its infra-red spectrum, and its thermal structure. Her interests were, however, far broader than that. She was heavily involved in international work for the teaching of astronomy and for the exchange program of young astronomers. | Introduction. ### Reviews

*It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I changed my way of thinking.*

-- **Lucinda Stiedemann**

*This is basically the best publication I have read through right up until now. Sure, it really is a performance, still an amazing and interesting literature. Your life span will probably be converted once you finish reading this article eBook.*
