paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Publisher: Shandong Province Map Press Pub. Date :2007-1-1. Learn geography without atlas. Entrance Exam. but also need high quality, informative atlas. Maps can help students to establish the spatial distribution and specific concepts of space link thinking clues to understand the relationship between the geographical objects. scientific data to understand geographic phenomena. These are generally written materials can not be achieved. The Atlas through the first two years in the majority of teachers and students after the application, generally recognized, a lot of feedback and advice. The combination of the new entrance requirements, based on the original made a big revision, so called upgrade. Mainly in the following areas, please be noted: 1 Entrance Exam Atlas mainly used, but also conducive to the usual learning, and its catalog and selection are the National Geographic test outline as the basis. (2) to reflect the entrance of ability conception, the guiding ideology, interpret drawings in this atlas focus on ability and training. 3 to highlight the main knowledge of the review and help to grasp. Atlas of the map not only highlights the name and should focus on knowledge-point control, and knowledge of some backbone to do a demonstration of the induction and summary, while some of the major geographic principles do a brilliant general and refined, contact the system block diagram or tabular form to facilitate students to acquire knowledge of the intrinsic knowledge and understanding of living together and the relationship between the properties. 4 Atlas reflects the geography of a comprehensive, regional, age, practical features, reflecting the contemporary domestic and international political, economic, technological, social and cultural development of the problem. 5 In order for students to attach...
