Coach Bill Renner outlines a simple and efficient 10-step process to follow when scouting a football defense. The information gathered will provide the coaches and players with a confidence they need to have to play their opponent. Coach Renner has prepared high school offensive game plans for 30 years. He finished his football coaching career with a span of 13 straight years, 142 games, without the offense he was coaching being shutout. Following this simple 10-step process will help a coach in obtaining the knowledge to call offensive plays and know how and why the defense is aligned versus their formation. Play calling becomes more efficient and easier because you are calling plays to attack a players technique in a defensive alignment you are certain of. If you want to be certain that you are scouting your opponents defense the right way, getting the right information to help your offense, this book, How to Scout the Defense of Your High School Football Opponent, will give you that plan.
