Brand New Book ***** Print on Demand *****.This book is the culmination of thoughts and ideas gleaned from the many books, seminars, sermons, articles, conferences, speeches, counselling/teaching sessions and general encounters I have had with people over the years. During these many years of being a Pastor, CEO, Adult Education-Teacher, Motivational speaker and Youth Worker, I have met, literally hundreds of persons of all ages and backgrounds who have struggled with the ability to accept themselves authentically. I thank God that after counselling and sharing experiences, these persons, were enlightened and moved on to better things in life. In that regard, I owe a huge debt of gratitude to author Maxwell Maltz; for the timeless truths set forth in his book Psycho-cybernetics which helped to revolutionize my own thinking many years ago. In recent times I have also benefited from transformational authors/speakers: Christine Kloser, Lisa Nicholls, Ted McGrath and countless others who through their work, in the area of personal development, encouraged me to move ahead in publishing this book.
