Reviews

This type of book is every thing and made me seeking forward and more. It is amongst the most awesome publication we have go through. Its been developed in an exceptionally straightforward way and it is only soon after i finished reading this ebook by which actually altered me, alter the way i believe.

(Mrs. Serena Wunsch)

PENSION PLANS: SURVIVOR BENEFIT COVERAGE FOR WIVES INCREASED AFTER 1984 PENSION LAW: HRD-92-49

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO provided information on survivor pension benefits for widowed individuals, focusing on: (1) the prevalence of survivor pension benefits; (2) the relative size of survivor benefits received by widowed men and women; (3) the rate at which married pension retirees are retaining a joint and survivor (J and S) annuities; and (4) whether the rate of J and S annuity retention has changed since the Retirement Equity Act of 1984. GAO found that: (1) in 1989, about 3 million widowed Americans age 65 and over received survivor benefits based on the pension of a deceased spouse; (2) women comprised virtually all benefit recipients and received an average of about twice the benefits of men with survivor benefits; (3) survivor benefits are an important source of income for widowed women, since they are less likely to have a pension based on their own employment; (4) as of 1989, about 3 million of 5 million pensioners had retained the J and S annuity; and (5) survivor benefit coverage for wives of private-pension retirees has increased since the act, as evidenced by the 15-percent increase in the rate at which married men retained the J and S annuity after the spousal consent requirement took effect. This item ships from La Vergne, TN. Paperback.
