### **Reviews**

*This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Prof. Adell Lubowitz)*

## AUGUSTA:: SURVIVING DISASTER

Arcadia Publishing (SC). Paperback / softback. Book Condition: new. BRAND NEW, Augusta:: Surviving Disaster, Misty Tilson, Augusta: Surviving Disaster allows readers to glimpse the changes that mother nature and human error have wrought on the landscape and design of the aGarden City.a These disasters did not only alter the cityas landscape; many were the impetus for change in Augusta. The ravaging floods led to the construction of the levee along the Savannah River in 1919, to prevent flooding, and spurred the creation of the Clark Hill Dam and Reservoir. Within this volume, readers will get a glimpse of the damage caused by the floodwaters of the Savannah River and the Augusta Canal. The remains of St. Paulas Episcopal Church, as well as other homes and businesses, after the Great Fire of 1916 are captured. Historic photographs reveal the damaged remains of the Lower Market after the 1878 tornado. Culled from the extensive collection of the Augusta Museum of History and the personal collection of Joseph M. Lee III, these images provide testimony to the resiliency of the human spirit and the courage to move forward and rebuild. The citizens of Augusta have a long history of uniting for the common good, and this volume is a tribute to those who overcame obstacles to create the thriving community that exists today.
