Introducing the novel called, Romance in Costa Rica and Panama, which is A Coffee Novel. The idea of the coffee novel is that it is an intriguing story short enough to read in one or two sittings for people who are love to read, but are busy and dont have time to get bogged down with a long complicated book. Grab your cup of coffee, or your favorite beverage, sit down, relax, read and enjoy! Marco is introduced to Marcia through his pastor and his pastors wife who take a cruise aboard Marcias cruise ship, Lady Adil. Marco and Marcia do not meet in person for six months, but faithfully correspond by email and phone. They are falling in love. Finally, Marco meets Marcia on her ship as he takes a cruise from Miami to Costa Rica and Panama. But it is not time for Marco to yet ask Marcia to marry him, even though he loves her. Marco must take a plane back to Michigan to resume his life there as a banker until he sees Marcia again. But Marcia hears on the news that a plane has crashed in Michigan and assumes Marco dead. What happens next How will Marcia cope Is Marco really dead Will Marcia ever find true love Read to find out. What others are saying about this novel! Julia Carrington draws from the depth of her relationship with God to connect her readers to His heart and His voice. She knows the language of God and writes encouraging her readers to know His voice and follow Him. --Theresa Croft, Kingdom Messenger Network I am so excited about this new book of Julia...
