Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Isaac Olson)

Network 3000 Publishing. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 8.9in. x 5.9in. x 0.6in. April 13, 1945. . . The last days of WWII. . . Eight lone German soldiers surrendered. Instead of a POW camp, their steps took them into a shallow grave. John Dougall, an 18-year-old American soldier, stood by as the murderous shots were fired. Laying there among the dead was Rudolph Haas, an officer whose death would burden John for a lifetime. John sought redemption in the rugged hills of Korea and in the swamps of Vietnam. Chaining him to remorse and guilt were the private thoughts of Haas, written carefully into the diary that John had taken from the Germans body. Six decades later, fate gave John one last chance to set things right and make peace with his past. This is the story of two soldiers robbed of their happiness, yet both clinging fiercely to their honor; and the stories of their wives, as strong in heart as any warrior. The journey takes our heroes from the safety of South Carolina to the battlefields of Europe and from the frozen Siberian Gulag to the gothic cities of Bavaria. The secrets of the Journal connect them all and, unbeknownst to John, spark a love that heals their hidden wounds. Why Hidden Wounds This story started coming together in the spring of 2004 when two Officer Candidates decided to write a book about an American and a German soldier whose lives and families become intertwined on the battlefield in the last stages of WWII. Action and inaction has a generational impact as the main character reflects on his choices and deals with the guilt of participating in a war crime. Is it too late at the age of 84 to make things right The story...
