

Obedience to Authority: An Experimental View

By Stanley Milgram

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Obedience to Authority: An Experimental View, Stanley Milgram, In the 1960s, Stanley Milgram carried out a series of experiments in which human subjects were given progressively more painful electro-shocks in a careful calibrated series to determine to what extent people will obey orders even when they knew them to be painful and immoral - to determine how people will obey authority regardless of consequences. These experiments came under heavy criticism at the time but have ultimately been vindicated by the scientific community. This book is Milgram's vivid and persuasive explanation of his methods.

Reviews

The best book i actually read through. I have got read and so i am sure that i am going to going to read through yet again yet again down the road. You can expect to like the way the author compose this pdf.

-- **Ludie Willms**

This pdf will not be straightforward to get started on studying but really exciting to read. it absolutely was writtern really perfectly and useful. I am just very happy to tell you that this is basically the finest publication i actually have study during my personal daily life and may be he finest ebook for ever.
