

Alchemy at the Chalkface: Pirsig, Pedagogy and the Metaphysics of Quality (Paperback)

By Alan McManus

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book identifies a widespread conceptual vagueness in industry and education today over quality and finds that the Metaphysics of Quality of Robert M. Pirsig provides a valuable clarification. It situates Pirsig's solution both philosophically and in relation to the New Physics, simplifying and clarifying his terminology and expanding his moral hierarchy. The alternative philosophical legacy of Hermeticism is examined, focussing on the technology of the transformation of lower into higher quality, alchemy, recommended by key virtues of holism and amelioration. Alchemy is re-evaluated (and alchemical vanitas interrogated) and employed as a powerful paradigm for this transformation. A mnemonic scheme is employed to structure, illustrate and further the argument of each chapter by personification in typical characters, ancient and modern. The ancient characters are Graeco-Roman divinities. The modern characters portrayed are teachers; however the new paradigm of Quality illustrated also has implications outwith the field of education. Alan McManus, M.Theol.(hons), M.Phil, PGDE, M.Litt., Ph.D., is a freelance academic, novelist, playwright and dramaturg.
