We have taken this template and expanded it for each of the practice locations. If you would like this in a MS Word format for modification please let us know or locate it on the website (). The terms used to identify a practice, dentist and employee were purposely left generic to allow this manual to stand alone as is without significant modification or to serve as a working template to create a unique manual customized for any practice needs. Why reinvent the wheel? If your office does not have such a manual or you are just starting your very first practice or perhaps opening a new office, Dental Practice Resource Group has the resources and tools to make your life easier. Please review the details contained within this document, as certain aspects will require change: office hours, time off, paid CE, etc. Look for our other manuals on common office issues such as: OSHA, Radiation Safety, Exposure to blood and body fluids...
