So how can you lead this motley group with their often incompatible work ethics, values, and styles? "Generations at Work" lays bare the causes of conflict, and offers practical guidelines for managing the differences, including: in-depth interviews with members of each generation; best practices from companies bridging the generation gap; specific tips for each generation on how to handle the others; and, a field guide for mentoring Generation Y. For anyone struggling to manage a workforce with different ways of working, communicating, and thinking, "Generations at Work" is the answer.
