Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Dr. Hermann Marvin PhD)

THE UNITED STATES IN THE LIGHT OF PROPHECY (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The United States--what are they? Two hundred years ago, this question could not have been answered; it could not even have been asked. Now it can be answered by the dwellers in every quarter of the globe. Then a few small settlements of earnest men, flying from the religious intolerance of the Old World, dotted a narrow strip of coast line on our New England border. Now a mighty nation, with a vast expanse of territory stretching from ocean to ocean, and from regions almost arctic on the north to regions equally torrid on the south, embracing more square leagues of habitable land than Rome ruled over in its palmyest days, here holds a position of independence and glory among the nations of the earth.
