ASCENSION & THE FIFTH DIMENSIONAL NETWORK

Light of Avalon Books. Paperback. Book Condition: new. BRAND NEW, Ascension & the Fifth Dimensional Network, Andrew Smith, Keith Laidler, The Earth herself, a great Spiritual Being in her own right, is going through an enormous transition and evolution to "Fifth Dimensional Consciousness" (a more advanced level of living) so she can realign with the rest of our Solar System. Conditions facing humanity are going to change out of all recognition as a result of this transition, some of which are already becoming evident. The Fifth Dimensional Network (Dnet) will provide you with the energy and support structure that you need as an individual to move to Fifth Dimensional (5D) Consciousness. This structure will both empower and protect you as you develop, while aiding in maintaining a balance with your existing life in the 3D world meanwhile. Quan Yin and her team of Spiritual Masters and Archangels have created the Dnet as a living web of connection for any human individual who seeks a positive and safe route forwards and upwards to the New Golden Age. This book explains how the Earth is going through the biggest changes for a million years or more as she follows the example of the other planets in our Solar System in evolving to a New World. The Dnet is presented as a practical and powerful tool for each and every individual seeking to take part in this epic journey. The book spells out in detail how the process works and what is needed for completion of the Ascension process.
