CHANGE THE WHETHER: TOOLS AND TECHNIQUES TO HELP YOU OVERCOME YOUR BARRIERS (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. Centex Image And Design (illustrator). 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine a 21 year old college kid from Austin, Texas facing 99 years in prison. A young man that grew up with two college educated and self-employed parents, in a stable suburban household. Imagine that young man, subsequently spending 2,095 days in prison and 4,012 days on parole. While on parole, imagine that young man having to navigate a 12 year path with no GPS and no road map. Imagine that man having to become a Music Video Director, an Actor, Producer, Music Publisher and an Entrepreneur amongst other titles in order to navigate that path. Everyone faces difficulties in one form or another. Some mistakes take a lifetime to overcome and recover from. Fear, self doubt and insecurities preclude us from reaching out and taking hold of the rope of life. Failures come at us like freight trains barreling down a railroad track and find us strapped to those tracks like a victim in a silent movie. Every project you take on fails right at the cusp of its success. Marriages and relationships with children wither like flowers baking on a hot, arid, Texas day. Jobs are lost. Parents die. Businesses are stolen. Spouses are divorced. Dreams are devoured by procrastination. When the student is ready the teacher will appear. When enough is enough, you begin to seek another way. When you are sick and tired of being sick and tired, a ray of hope beams into your life like a ray beaming down the shaft of a mine. You realize that you have complete and total control over your life. You learn that you were given talents and gifts that...
