If, so, congratulations because you are taking steps to strengthen your marriage or relationship that other couples may think about but not actually accomplish. Date nights, of course, may be chats over morning coffee or any activity that encourages you to connect. On your dates, do you sometimes wonder what you should talk about or find yourself avoiding talking about things you know you should discuss? Many times couples keep conversations pretty superficial and as a result they fail to deepen their relationship. Date Night Conversations is a practical couple s communication manual for having meaningful conversations that are designed to strengthen your marriage or relationship. This book will provide you with guidance on how to talk about the key issues every couple should discuss. First of all, you will learn to identify the important topics that can strengthen your relationship, and secondly, you will be given the structure to have the right kind of discussions on each topic. Key topics covered include understanding the patterns in your relationship, strengthening the positives, improving sex and intimacy, resolving conflicts and problem solving, recovering from an affair or other traumas, and much more. Each chapter contains exercises and instructions to improve your understanding, guide your communication, and enrich your marriage.
