Reviews

*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

SPYCLASS MATHS QUEST 8 (REGISTRATION CARD)

DOWNLOAD

John Wiley & Sons Australia, 2013. Softcover. Book Condition: New. 1. 0 x 0 cm. [accessible online only, using the code on your own unique registration card*] SpyClass Maths Quest 8 is an exciting game that combines comic book-style art with problem-based learning to allow students to hone their problem-solving skills in an engaging and immersive environment. By completing tasks, students assist the game's protagonists, three teenage spies named Dan, Jesse and Toby, to fulfil a range of missions set in exotic locations. For different learning styles and levels Students rate their ability (at either 'bronze', 'silver' or 'gold' level) and the game steers the student in the direction of challenges suited to the level they have defined. They are also able to adjust this to try easier or harder challenges throughout the game. Linked to Maths Quest SpyClass has been designed to align directly with Maths Quest. Each challenge links to a relevant dot point in the textbook, so if students get stuck on challenges assistance is only a click away. In-game reward system Prizes and stars given for each challenge completed correctly, offering the incentive of reaching the end of the adventure and building a profile with all gold stars and other prizes unlocked. Curriculum Links All challenges are clearly mapped against the curriculum, allowing teachers to easily see exactly which skills are being tested. What is online purchase? This means that the product is in a digital-only format, and following payment, you will receive a registration code via email. (*Please allow 7-10 days for postal delivery) WHY USE JACARANDA'S DIGITAL PRODUCTS? Visit our [Url removed]. This Is An Audio Book. Serie: Maths Quest for New South Wales Junior Series. Softcover.
