## A MORE COMPLEX TRUTH: SELECTED WRITINGS

New Island Books, 2010. Paperback. Book Condition: BRAND NEW. Uncorrected proof copy. "A More Complex Truth" is a timely selection of Nuala O'Faolain's non-fiction from the mid-1980s to shortly before her death in 2008. Hailed as 'one of the greatest columnists ever to inhabit the English language', her wide-ranging essays cast a canny eye on all matters Irish - from sex, contraception, old age, the Border, and the rights of the marginalised, to Charlie Haughey, Mary Robinson, John McGahern and U2. Gifted with a unique capacity to look at issues from all sides, her cutting-edge commentary - whether on our latter-day materialism or the duties of citizenship - remains as topical today as when first penned. Nuala O'Faolain (1940-2008) was one of Ireland's best-loved journalists and writers. She became internationally well-known for her two volumes of memoir, *Are You Somebody?* and *Almost There*, a novel, *My Dream of You*, and a history with commentary, *The Story of Chicago May*, and consistently featured on the New York Times Best Seller list. Her posthumous novel *Best Love, Rosie* was published by New Island in 2009. 296 pages.
