Brand New Book ***** Print on Demand *****.There was not in the whole city of Bagdad a greedier man than Abi Fressah, and you may be sure he was not popular. It was not that he was rich and refused to give heed to the needs of the poor. He was, in truth, a merchant in moderately affluent circumstances, and he did not withhold charity from the deserving; but he was a man of enormous appetite and did not scruple to descend to trickery to secure an invitation to a meal. PREFACE The very cordial welcome given to my earlier volume of Jewish Fairy Tales and Fables has prompted me to draw further upon Rabbinic lore in the interest, chiefly, of the children. How the wise Rabbis of old took into account the necessities of the little ones, whose minds they understood so perfectly, is obvious from such legends as those dealing with boyish exploits of the great Biblical characters, Abraham, Moses, and David. These I have rewritten from the stories in the Talmud and Midrash in a manner suitable for the children of to-day. I have ventured also beyond the confines of these two wonderful compilations. There is a wealth of delightful imagination in the legends and folk-lore of the Jews of a later period which is almost entirely unknown to children. I have drawn also on these sources for some of the stories here presented. My desire is to give boys and girls something Jewish which they may be able to regard as companion delights to the treasury of general fairy-lore and childish romance.
