Sal has been teaching Bible studies for over 10 years. He is well traveled and has spoken in several different churches in the United States and Europe. Always ready to discuss any spiritual topic, Sal is never one to pull punches or regard feelings over delivering truth. Despite his reputation as standing incredibly firm in his convictions and willingness to bluntly address issues others are not, Sal has always remained humble enough to receive correction when the truth is spoken. He believes it is this characteristic that has blessed him to be able to stand strong in truth and continue to grow in God. Sal currently resides in Italy where he believes he is called to minister to the military and local communities.
