CANTICLE OF LIGHT AND DARK (PAPERBACK)

Synthesis Center Inc., United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Paula Sayword s full-length book of poems, Canticle of Light and Dark, takes us on a journey of memory and imagination. From our individual search for meaning in a world where so many of us have lost our way, to the highs and depths of love and loss, what we find in these pages are truth, hope and a kind of grace. Sayword writes of childhood s longing, of the complexities of lesbian life and search for things that matter. We also hear the experience of men forever changed by war and the author s own terrible grief over her granddaughter s heroin addiction and death. These are poems of mud flats and western creeks, of a woman taking a train across her lost and beloved America and finally poems of faith and healing. As poet Terry Martin says, . .these are poems you will remember long after closing the book.
