

## Origins - The Day the Earth Was Smashed Like a Cup (Paperback)

By Bernard Paul Badham

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.EVIDENCE FOR THE BIBLICAL DELUGE and our almost complete destruction and our late origins are presented in this book. Were the first two Pharaohs of ancient Egypt the direct descendants of Noah? Is there an image in ancient Egyptian art of the Ark and its eight occupants? Does biochemical analysis of Fossil fuels provide evidence for the Great Deluge? This book is dedicated to an understanding of our Origins, the universe, our planet Earth, life and civilization. In easy readable essay format it explores the science, myth and legend of Origins. Starting with the Big Bang origins of the universe it examines space, time and the existence and nature of mass, exploring the weird and wonderful world of Einstein s space-time. Is time constant? How and why did everything come into existence? The existence of life, so peculiar to our world and the early formation of our Earth and the presence of its unexplained vast oceans are investigated, resulting in a surprising conclusion: a Sword of Damocles of total destruction hanging over life on Earth. The rise of...
