ISLAM BEYOND THE MAD MAX JIHADIS

Biteback Publishing. Hardback. Book Condition: new. BRAND NEW, Islam Beyond the Mad Max Jihadis, Ziauddin Sardar, The meaning and message of Islam has been corrupted and perverted by a particularly virulent strain of Islam. But behind the stories of atrocities, strife and turmoil, there is a number of different versions and visions of Islam struggling to survive and make sense of a rapidly changing world. Writer and critic Ziauddin Sardar tells the stories of different interpretations of Islam and argues for a critical version of a religion that has a long and distinguished history - but which appears to have been swept aside by a fundamentalist interpretation. Along the way, he answers a host of questions uppermost on the minds of most people. Is Islam inherently violent and misogynist? Why do young men and women go to join the Jihadi Caliphate? Does Islam need a reformation? Should we be frightened of Sharia? What part do Muhammad's teachings play, or ought to play, in our own times? Ziauddin Sardar is a practising Muslim and he is as terrified by the rise of Islamic Jihadi groups as anyone else. In this remarkable book, he urges all those who feel the same way to work together to preserve the sanity of our world.
