Createspace, United States, 2008. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A collection of poems I have written to remind me of how it feels to overcome heartache while riding the fence separating the sane mind from the real world. Most of these were written while institutionalized and battling multiple personality disorder and severe depression (bi-polar disease.) This compilation of my original poetry is intended for the purpose of helping me too let go and at the same time to live on. From teenage heartbreak and puppy-love to divorce to my emotions concerning September 11th to dealing with voices, religion, and a dysfunctional childhood, it s all here in these 70 odd pages.
