WHERE THE YELLOW FLOWERS GROW (PAPERBACK)

Rebekah Ruth Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When Megan McKenna was fourteen years old, she received a love letter and a bouquet of her favorite yellow flowers. She might have been swept off her feet if it weren't for the fact that the unexpected attention had come from a nerdy sixteen-year-old with an overbite and terrible eyesight. Embarrassed, she tossed the flowers and letter into the trash without the courage to even look back at the face behind those coke-bottle glasses. By the end of the school year, the boy had moved away from their little Irish town, and Megan was left with a guilty conscience and a slightly queasy feeling at the sight of yellow flowers. Ten years later, after breaking up with her cheating fiancé and subsequently finding herself at the wrong end of a public scandal, Megan has decided she's done with men. And no, she doesn't care how hot the new doctor is. She's not interested. Dr. David O'Brien has accepted a temporary position in a small country town; a town he hasn't seen since he was sixteen when his family moved to America. A town he hasn't seen without the aid of coke-bottle glasses.
