Simon & Schuster, London, 2012. Paperback. Book Condition: New. 12mo - over 6¾" - 7¾" tall. Brand new. For years, Mitch Rapp's bold actions have saved the lives of thousands. He has killed with impunity, tortured to avert disaster, and shown he will do whatever it takes to win the War on Terror. He has become a hero to many - and an enemy to countless more. Now, the powerful father of a dead terrorist demands vengeance in its simplest form. He wants Rapp dead - and his hate-filled plea has found sympathetic ears. In the tangled world of espionage there are those, even among America's allies, who feel Rapp has grown too effective. They've been looking for a chance to eliminate America's No.1 counterterrorism operative - and now their time has come. Rapp must use all his skill and ruthless determination to save himself before he can turn his fury on those who have dared to betray him.
