

Henry Cicada s Extraordinary Elktonium Escapade (Hardback)

By David Teague

HarperCollins Publishers Inc, United States, 2016. Hardback. Book Condition: New. 216 x 145 mm. Language: English . Brand New Book. From David Teague, the coauthor of Saving Lucas Biggs, comes a boisterous and funny novel about friendship and self-discovery that will send readers on the wackiest adventure of their lives! It's no surprise when the doghouse in Henry Cicada s backyard starts glowing. After all, it's made out of Elktonium, a luminescent green metal his mom invented. But Henry is surprised when the doghouse transports him into the imagination of a twelve-year-old girl named Lulu. So surprised, in fact, he forgets his whole plan to be just ordinary. But as Henry gets to know Lulu, he realizes she's a real girl who is in real trouble. Henry knows he has to help Lulu, but doing something so heroic, so courageous, so audacious . . . well, it would mean abandoning his quest to be ordinary once and for all. This wacky, heartfelt adventure emphasizes the importance of just being yourself . . . no matter how unordinary that may be.

Reviews

It is an amazing publication which i actually have at any time go through. It really is written in easy words and phrases rather than hard to understand. Its been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.

-- Garry Lind

Certainly, this is the very best work by any writer. It is loaded with knowledge and wisdom I am just quickly will get a satisfaction of reading through a created publication.
