Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Written by an experienced teacher and author, it not only contains all of the relevant verse , but also includes substantive comprehension questions and thorough analysis of every poem. Furthermore, there are sections which discuss Blakes life and the context of his work in depth, the poetic techniques he deployed, and how students can gain a good grade when writing essays on him.
