W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 416 pages. Dimensions: 8.2in. x 5.2in. x 1.1in. Powerful and compelling. . . . Eisenhower is not only an accomplished military historian, hes also a storyteller in the tradition of Bruce Catton and Shelby Foote. Steve Neal, Chicago Sun-Times In May 1916, six American soldiers led by Lieutenant George S. Patton, Jr. , surrounded a building near Rubio, Chihuahua. When the occupants burst out of the door, guns blazing, Patton and his men cut them down. A month later seventy American troopers charged into a strong Mexican position at Carrizal; ten were killed and twenty-three taken prisoner. In 1914, a powerful American naval force seized Mexicos principal seaport, Veracruz, and occupied the city for six months. Yet, all the while, Mexico and the United States were technically at peace. The United States began its involvement in the Mexican Revolution in 1913 with President Woodrow Wilsons decision to remove Victoriana Huerta, leader of a military junta that overthrew and murdered Mexicos president, Francisco Madero. Diplomatic actions failing, Wilson occupied Veracruz, cutting off Huertas supplies of arms from abroad. When in 1916 the legendary bandit Pancho Villa raided Columbus, New Mexico, Wilson sent General John J. Pershing into Chihuahua to capture him. This story leads readers to increased respect for the people of Mexico and its revolutionary leaders Zapata, Obregon, Carranza, and Pancho Villa. It shows that, while American troops performed well, U. S. intervention had no effect on the outcome of the Mexican Revolution. The American army had a taste of battle and Pershing went on to become the greatest American hero of the First World War. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
